

ALL RIGHT

**I gave Jesus all my problem
And on Him
I cast my every care
He took away my problem
And right now I feel all right**

**All right, all right, all right, all right
All right, all right
Right now I feel all right**

**I gave Jesus all my symptom
And on Him
I cast my every care
He took away my sickness
And right now I feel all right**

**All right, all right, all right, all right
All right, all right
Right now I feel all right**
