

God Is Good

I know that God, my God, God Is Good

God my God, God Is Good

You know that He brought me out of darkness

God Is Good

You know that He **saved my soul, God Is Good**

Said He **saved my soul, God Is Good**

I said that He **saved my soul**

and then He **brought me out of darkness, God Is Good**

I know that He **guides my every footstep, God Is Good**

Said He **guides my every footstep, God Is Good**

I know that He **guides my every foot step**

then He **saved my soul**

and then He **brought me out of darkness, God Is Good**

And then He put **shoes on my feet, God Is Good**

Said he put **shoes on my feet, God Is Good**

I know He put **shoes on my feet**

Jesus **saved my soul**

and then He **brought me out of darkness, God Is Good**

And then He put **food on my table, God is Good**

Said He put **food on my table, God is Good**

Said He put **food on my table**

Jesus **saved my soul**

and then He **brought me out of darkness, God Is Good**

God Is Good...
