## **CHORUS-A:** <Unison>

The angels bow down at the thought of You  
The darkness gives way to the light of You  
The price that You paid gives us life brand new  
Hosanna forever we worship You  
Hosanna forever we worship You

repeat **CHORUS-A**

## **CHORUS-B:**

<Unison>For You are the joy that my soul longs for  
The lamb that was slain <Sop>for my sins  
<Alt>and the one <Sop>I adore  
<Alt>King of kings <Sop>ruler of everything  
<ALL>Hosanna forever we worship You  
<Sop&Alt>Hosanna forever we worship You

repeat **CHORUS-B**

## **BRIDGE:**

<Sop>For Your patience and kindness  
And favor and mercy  
And honor and glory  
<Sop&Alt>Because You are worthy  
We can't live without You  
We can't breathe without You  
<ALL>We can't sing without You  
Hosanna Hosanna

## **CHORUS-C:**

No greater love in this world but You  
No one can compare to the things You do  
Where ever You go I will follow You  
<ALL>Hosanna forever we worship You  
<Sop&Alt>Hosanna forever we worship You

**CHORUS-D:**

Someday every tongue shall confess Your name  
This house made of clay soon shall pass away  
What ever the test You will bring us through  
<ALL>Hosanna forever we worship You  
<Sop&Alt>Hosanna forever we worship You  
<ALL>Hosanna forever we worship You  
<Sop&Alt>Hosanna forever we worship You

**VAMP-1:**

Hosanna forever  
Hosanna forever and ever and ever  
Hosanna we praise You  
Hosanna forever and ever and ever

Hosanna forever  
Hosanna forever and ever and ever  
Hosanna forever  
Hosanna forever and ever and ever and ever and ever and  
ever and ever
