

I Believe In Music

CHORUS

I believe in music I believe in love
I believe in music I believe in love.

solo

I could just sit around, making music all the day long.
As long as I'm makin' music, I know I cain't do no one no wrong.
Who knows maybe someday I'll come up with a song,
makes people want to stop fussin' and fightin'
Just long enough to sing along.

repeat CHORUS

solo

Music is love and love is music, if you know what I mean,
People who believe in music are the happiest people I've ever seen.
So clap your hands, stomp your feet, shake your tambourine, yeah
Lift your voices to the sky;
God loves you when you sing.

repeat CHORUS

solo

Music is the universal language, and love is the key,
Brotherhood, peace, understandin' and livin' in harmony.
So, take your brother by the hand and sing along with me,
Find out what it really means
to feel young, rich and free.
