～ 間奏 (interlude) ～

("Your Third Day Is On The Way")

Solo :

On the first day
To save
They nailed
He had

Choir :

He went to Calvary
To save a wretch like me
They nailed Him to the cross
He had to pay the cost

On the second day
Posted
To make
The one

They laid Him in the grave
Posted guards stayed
To make sure no one touched
The one who meant so much

But on that third day

He arose for all to see
Your faith brings victory
Lift your voice and sing
Praises to the King
