

# Lean On Me

Music by Bill Withers / arr. Glee / arr. Manna(2020)

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

## **CHORUS:**

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please (please) swallow your pride (pride)  
If I have things you need to borrow  
(For) for no one can fill those of your needs  
That you won't let show

## **BRIDGE:**

So just call on me brother when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

## **repeat CHORUS**

## **BRIDGE:**

You just call on me brother when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on  
Lean on me

If (If) there is a load (there is a load)  
you have to bear (you have to bear)  
that you can't carry  
I'm (I'm higher) right up the road  
I'll share your load  
If you just call me

**ENDING:**

Call me ( I'm calling )  
Call me ( when you need a friend )  
Call me ( call me )  
Call me ( call me ) ( when you need a friend )  
Call me ( when you need a friend )  
Call me ( if you need a friend )  
Call me ( any time of day )  
Call me

It won't be long till I'm gonna need somebody  
to lean on, lean on, lean on (me)

lean on lean on lean on me  
when you need a friend

lean on lean on lean on me  
lean on me

lean on lean on lean on me  
I'm gonna need somebody to lean on  
I'm gonna need somebody to lean on  
Yeah
