

Lord Hear Me Praying

Lord, oh hear me praying!
Lord, oh hear me praying!
Lord, oh hear me praying!
I want to be more holy everyday

Oh Lord! Oh hear me praying
Lord, oh hear me praying!
Lord, oh hear me praying!
I want to be more holy everyday

Like Peter when you said to him
Feed My sheep
Like Peter when you said to him
Feed My sheep
Like Peter when you said to him
Feed My lamb
Like Peter when you said to him
Feed My lamb

Lord, oh hear me praying!
Lord, oh hear me praying!
Lord, oh hear me praying!
I want to be more holy everyday

Like Peter when you said to him
I build my church
Like Peter when you said to him
Upon this rock
Like Peter when you said to him
The gates of hell
Like Peter when you said to him
Will never shock
