

My God Can Do Anything

Written by Luther Barnes

CHORUS:

My God, can do anything
My God, can do anything
He's got the power, He's got the power
He's got the power, He's got the power
My God, can do anything
My God, can do anything

VERSE1: (Solo)

He healed the sick,
and He raised the dead
Five thousand, hungry souls He fed
He can make a way, out of no way
Turn your darkness into day
My God can do anything
My God can do anything

CHORUS:

VERSE2: (Solo)

Makes no difference, what the problem
My God is able, He's able to solve them
There is no secret to what He can do
What He's done for others,
He'll do for you
My God can do anything
My God can do anything

BRIDGE:

Gods got the power, yes He's got the power **(repeat)**

He's got the power, He's got the power
He's got the power, He's got the power
My God, can do anything
My God, can do anything

VAMP:

(What can He do?) Anything (x3)
God can do
