

# My God Can Do Anything

## **CHORUS:**

My God, can do anything  
My God, can do anything  
He's got the power, He's got the power  
He's got the power, He's got the power  
My God, can do anything  
My God, can do anything

## **VERSE:**

He healed the sick,  
and He raised the dead  
Five thousand, hungry souls He fed  
He can make a way, out of no way  
Turn your darkness into day  
My God can do anything  
My God can do anything

## **CHORUS:**

## **VERSE:**

Makes no difference, what the problem  
My God is able, He's able to solve them  
There is no secret to what He can do  
What He's done for others,  
He'll do for you  
My God can do anything  
My God can do anything

## **BRIDGE:**

Gods got the power, yes He's got the power (repeat)  
He's got the power, He's got the power  
He's got the power, He's got the power  
My God, can do anything  
My God, can do anything

## **VAMP:**

(What can He do?) Anything, anything, anything  
God can do
