Call&Res.

He saved my life
He paid the price
And I know
But all my life

Befor I ever knew it
That's what He's doing
I'll never can repay Him
I will ever praise His Name

Call&Res.

He saved my life
He paid the price
And I know
But all my life
Don't you know He fix me up?
Don't you know He gave me Joy?
That's what He do
But all my life

Befor I ever knew it
That's what He's doing
I'll never can repay Him
I will ever praise Him
And in His love
He's in my heart
Lord, I adore you
Hallelujah Jesus

Sacrificed His life
Sacrificed His life
Sacrificed His life for my liberty
Oh, oh, oh-oh-oh-oh-oh oh-oh
