

Perfect

Ed Sheeran Gospel Lyrics by Harvest(HGF)

I found a love for me
So I wanna dive right in
and follow Your lead

I found Saviour,
Let me more than just my secrets
Let me love and every burden in my soul

I was so lost when I found Your love
Not knowing what it was
Broken until I saw Your light

In the moment You made me whole
Took me and let me home
Now I am Yours and You are mine

Oh 主イエスよ 暗闇に 迷えるわたしに
十字架の 救い与えてくれた
あなたの愛を 歌い続けよう
I don't deserve it, but Your grace is perfect
素晴らしいあなたの恵み

Perfect for love
