

Right Now

A chorus:

Right now, right now, right now
we do, we really do, we do x 2

Right now, right now, right now
you do, you really do, you do x 2

B solo:

It makes no difference what you're going through
GOD knows exactly what to do for you
(You gotta do it)

C chorus:

Just call upon His precious name
And you will see a sudden change
He knows exactly what you need
If you believe you can receive

chorus:

Right now, right now, right now
you do, you really do, you do x 2

B solo: repeat

C chorus: repeat

chorus:

Right now, right now, right now
you do, you really do, you do

Right now, right now,

vamp1:

If you believe I know you can receive it, right now x 4
Right now, right now x 4
If you believe I know you can receive it, right now x 4
Right now, right now x 4

vamp2:

If you believe I know that you can receive it, right now x 4
Right now, right now x 4
Right now, right now !!
