

September

Kirk Franklin

Soli:

I can see clearly now
The sun is much brighter now
The season it won't last always

Verse-1:

Do you remember, when it was like September?
Before you grew cold like December
and all you saw were cloudy days

And I remembered, that day when you surrendered
You start turning cuz you remembered
The season it won't last always, hey, hey, hey...

Chorus:

Ba De Ya, tell me you remember
Ba De Ya, when your heart felt like September
You still had your joy, and God was just a prayer away

Vamp:

Ba Doo Doop Ba Doop, ~ (I can see clearly now)
Ba Doo Doop Ba Doop, ~ (The sun is much brighter now)
Ba Doo Doop Ba Doop, ~ (The season it won't last always)

Verse-2:

Seems like forever
You said when will my life get better
I'm tired of stormy weather,
But the sun always shines in may

So just remember,
The next time you feel like December
Remember that night in September,
When God wiped all your tears away

Chorus: (2x)
