

Thank You Lord – AGUARACHAR2015 Version

<Intro>

I just wanna say Thank you Lord
I just wanna say Thank you Lord
I just wanna say Thank you Lord
Because He save my life

I just wanna say Thank you Lord
I just wanna say Thank you Lord
I just wanna say Thank you Lord
Because I'm free

<Main Part>

Thank you Lord for savin' my life
I promise I praise Your name
for you help me up when I couldn't stand
Through you my life has a plan

CHORUS

for you gave your life for me that day,
upon the rock on calvary
I can't imagine men still deny
You are the way the truth and the life

So I Thank you Lord for hearin' my pray
and giving me all that I need
I will try my best and do all I can,
because I know only you understand

repeat **CHORUS**

Thank you Lord, Thank you Lord
Thank you Lord, Thank you Lord
Thank you Lord, Thank you...
