

# We Sing Glory

<A>

This is the day, that's the lord has made.

We will rejoice and be glad in it.

We lift our voices in higher praise.

We sing glory, sing glory to god. We sing glory, sing glory to god.

<A> repeat

<B> (Solo)

Its by His grace No goodness of my own

We know one day we'll surely make it home.

He put his love way down in our hearts.

That's why we sing praises to God every hour,

That's why we sing praises to God.

We worship God when everything goes wrong.

He's a present help and he gives us a song.

He put his joy way down in our hearts.

That's why we sing praises to God every hour,

That's why we sing praises to God.

<A> repeat

<C>

Hallelujah, we sing the highest praise.

Lord you're worthy and we praise your name

from the rising of the sun.

He's the only one that can save a soul from sin. If you let Him in.

We sing glory, sing glory to god. We sing glory, sing glory to god.
